

GOLDEN GOLIATH ANNOUNCES PRIVATE PLACEMENT

Vancouver, December 8, 2020, Golden Goliath Resources Ltd. (TSX.V GNG) (US: GGTH-F) (Frankfurt: GGZ)

Golden Goliath Resources Ltd. (“Golden Goliath” or the “Company”) wishes to announce a private placement of up to \$500,000. The financing will consist of a combination of flow-through units priced at \$0.15 with a half warrant priced at \$0.25 and non flow-through units priced at \$0.12 with a full warrant priced at \$0.25. Each full warrant will entitle the holder to purchase an additional common share at a price of \$0.25 for a period of 24 months from the date of closing of the private placement. This private placement is being offered on a non-brokered basis and the Units will be subject to a statutory hold period of four months and a day from the closing date of the Offering. The Company may pay a finder’s fee of up to 5% on a portion of the gross proceeds of the private placement. The Offering remains subject to regulatory approval.

The Company intends to use the net proceeds of the Offering to increase by about 2,000m the size of the drilling program on the Company’s Kwai property in the Red Lake mining district and to pay for an Induced Polarization survey over Beaugard Lake. The current drill program is fully funded for 6,000m and this financing would increase it to 8,000 m.

On behalf of the Board of Directors

Paul Sorbara, MSc, PGeo

CEO, Golden Goliath Resources Ltd.

Cautionary Statements Regarding Forward Looking Information

Certain statements included herein may constitute “forward-looking statements”. All statements included in this press release that address future events, conditions or results, including in connection with exploration activity, future acquisitions and any financing, are forward-looking statements. These forward-looking statements can be identified by the use of words such as “may”, “must”, “plan”, “believe”, “expect”, “estimate”, “think”, “continue”, “should”, “will”, “could”, “intend”, “anticipate” or “future” or the negative forms thereof or similar variations. These forward-looking statements are based on certain assumptions and analyses made by management in light of their experiences and their perception of historical trends, current conditions and expected future developments, as well as other factors they believe are appropriate in the circumstances. These statements are subject to risks, uncertainties and assumptions, including those mentioned in the Company’s continuous disclosure documents, which can be found under its profile on SEDAR (www.sedar.com). Many of such risks and uncertainties are outside the control of the Company and could cause actual results to differ materially from those expressed or implied by such forward-looking statements. In making such forward-looking statements, management has relied upon a number of material factors and assumptions, on the basis of currently available information, for which there is no insurance that such information will prove accurate. All forward-looking statements are expressly qualified in their entirety by the cautionary statements set forth above. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.
